Deadline: Mail or Fax by November 30, 2001

Council of College and Military Educators
Scholarship Information

The Council of College and Military (CCME) is offering need-based scholarships to deserving military students. The CCME membership is composed of educators representing Military Education Centers, institutions and other agencies involved with providing college education to Army, Navy, Marine, Air Force, National Guard, Coast Guard and Reserve personnel. Its mission is to support and promote education in the military. The CCME Executive Board is now soliciting scholarship applications from military students.

Once a year at an annual symposium in February, scholarships are awarded. The CCME Executive Board will review scholarship applications and announce the selection at the CCME Symposium, 12-15 February 2002. The applicant's attached essay must address the applicant's experience in pursuing an education, and how this scholarship will be beneficial.

The deadline for filing the 2002 scholarship application is 30 November 2001. Recipients will be notified in February and awards will be forwarded to the applicable Military Education Centers for presentation. Applications should be sent to Ms. Mebane Harrison, 333 D Avenue #5, Coronado, CA 92118.

For further information or assistance, please call 619-437-2651 or DSN 557-2651. You may review the scholarship information on the CCME website, www.ccmeonline.org.
